

Kudos to young people helping others in need!

Step-siblings, 12 year-old **Adam Turek** and 17 year-old **Tori Tissington** from Sharon, Ontario carried out a “keychain hearts campaign” where they crafted and sold keychains for donations to help refugees from the Ukraine. Their friend Jessica, cousin Niko, and Grandma Marysia also helped in the action.

Together they made over 110 keychains. Their mother, Anna Turek, announced the campaign on Facebook stating that the children raised over **\$2,100!**
