Dear Supporters/Dear Donors,

The Charitable Foundation of the Canadian Polish Congress would like to thank all our donors and again ask for your further support. We help seniors and orphans, we help Polish schools, we help to foster the talents of our youth in arts and sports, we help the sick and those in need of care, the poor, the lonely, and disabled people.

We have helped Ukrain refugees, who found safe home in Poland. We have helped flood victims in Poland, victims of the earthquakes and other cataclizms. We support organizations that care for the hungry and homeless.

We can only do this with your support. The Foundation can distribute to those in need only what it receives. Funds received are distributed as directed by you, the donors.

Dear Donors,

The Foundation can only distribute as much as it receives from you, and your help reaches many people in need. We all know that even small contributions donated by many, when added together, give a great opportunity to help those who need it most. Let's give those in need what is essential for them, and show them our solidarity and kindness. Let the sick, lonely, and helpless not be left without our support, especially during the Christmas season.

Please support us! Together, we can do more!
